MARTIN ZORKO

Technical rider

All formats

- Working booth monitor with independent level control
- Stable DJ table with enough working space
- Safe, properly grounded power supply

Digital

- Mixer: Pioneer DJM-V10 or Rane MP2015
- If neither mixer is available, Martin can bring his own Rane MP2015 by prior arrangement
- Martin brings the rest of the digital playback equipment and cables. CDJs are not required.

Vinyl

- 2× Technics SL-1200/1210
- Mixer: Pioneer DJM-V10 or Rane MP2015 (Martin can bring his own Rane MP2015 by prior arrangement)
- Stable, level turntable setup isolated from vibration
- Properly grounded turntables and tested RCA cables
- 2× matching Ortofon cartridges with stylus in good condition; exact model by prior arrangement

---

Hybrid (vinyl + digital)

- Same requirements as the Vinyl format
- Martin brings the additional digital playback equipment and cables

---
